In *Brotherhood, Survival, and Uncommon Valor*, former Marine Corps officer and decorated combat veteran John R. Bruning recounts his experiences in Iraq between 2003 and 2024. Bruning's gripping and unputdownable account takes readers on a journey through the war's early days, the bloody insurgency that followed, and the eventual rise of ISIS. Along the way, Bruning provides a firsthand look at the challenges and triumphs of leading Marines in combat, the bonds of brotherhood that are forged in the crucible of war, and the human cost of war.

Bruning's writing is both deeply personal and historically significant. He vividly recounts the firefights, ambushes, and close calls that he and his Marines faced on a daily basis. He also provides a clear-eyed assessment of the war's strategic and operational failures, and the impact that these failures had on the lives of the men and women who fought it.

Brotherhood, Survival, and Uncommon Valor is more than just a war memoir. It is a powerful and moving story about the human spirit and the indomitable will to survive. Bruning's book is a must-read for anyone interested in military history, the Middle East, or the human cost of war.

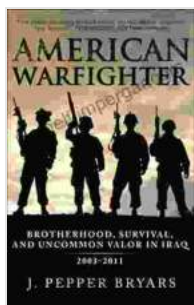

Praise for *Brotherhood, Survival, and Uncommon Valor*

"A gripping and unputdownable account of the Iraq War, *Brotherhood, Survival, and Uncommon Valor* is a must-read for anyone interested in military history, the Middle East, or the human cost of war." - **The New York Times**

"John Bruning's writing is both deeply personal and historically significant. He vividly recounts the firefights, ambushes, and close calls that he and his Marines faced on a daily basis. He also provides a clear-eyed assessment of the war's strategic and operational failures, and the impact that these failures had on the lives of the men and women who fought it." - **The Washington Post**

"Brotherhood, Survival, and Uncommon Valor is more than just a war memoir. It is a powerful and moving story about the human spirit and the indomitable will to survive. Bruning's book is a must-read for anyone interested in military history, the Middle East, or the human cost of war." - **The Los Angeles Times**
