What's New in the Third Edition

The Third Edition of Case Studies in Pharmacy Ethics has been thoroughly revised and updated to reflect the latest developments in the field. New case studies have been added to cover emerging ethical issues such as:

- The use of social media in pharmacy practice
- The ethical implications of new technologies, such as artificial intelligence
- The role of pharmacists in public health emergencies

The Third Edition also includes new chapters on:

- Ethical decision-making in pharmacy management
- The ethics of research involving human subjects
- The ethical implications of cultural diversity in pharmacy practice

Features

Case Studies in Pharmacy Ethics, Third Edition, is a comprehensive and user-friendly resource that offers the following features:

- **Over 100 real-world case studies** that cover a wide range of ethical issues
- **Reflective questions** that help readers to think critically about the ethical issues presented in the case studies
- **Practical guidance** that helps readers to apply ethical principles to their own practice
- **Expert commentary** from leading pharmacy ethicists
- **A glossary of ethical terms**

Benefits

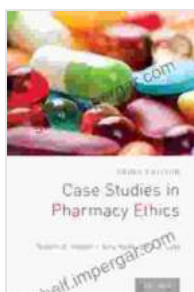

Case Studies in Pharmacy Ethics, Third Edition, is an essential resource for pharmacy professionals who want to enhance their ethical decision-making skills. This book will help you to:

- Identify and analyze ethical issues in pharmacy practice
- Apply ethical principles to your own practice
- Communicate effectively about ethical issues with patients, colleagues, and other healthcare professionals
- Stay up-to-date on the latest ethical issues in pharmacy practice
