The book is a collaboration between photographer Gregory Fournier and writer George W. Koestler, who have been documenting the city for decades. The photographs in the book capture the city's beauty and resilience, while the essays explore its complex history and its current struggles.

Detroit Time Capsule is not a simple march through time. It also reflects the cyclical nature of history, as the struggles of the city's past closely parallel its present-day challenges.

Resistance to outside encroachment is a common thread running through the book. The essays cover topics such as the role of the Detroit Institute of Arts in the city's cultural life, the impact of globalization on the city's economy, and the challenges facing the city's public schools. The photographs, meanwhile, capture the city's resilience in the face of these challenges.

The book is a must-read for anyone who is interested in the history of Detroit. It is also a valuable resource for anyone who wants to understand

the city's current struggles and its prospects for the future.

## **Reviews**

“Detroit Time Capsule is a beautiful and haunting book that captures the city's complex history and its current struggles. The photographs are stunning, and the essays are thought-provoking and insightful.” — **\*\*The New York Times\*\***

“Detroit Time Capsule is a must-read for anyone who wants to understand Detroit, its past, present, and future.” — **\*\*The Detroit News\*\***
